Dr. José Alejandro Ayala Mercado
Director La Revista Mexicana de Física

Dear Dr. Ayala

We wish to publish our paper titled “**Rare earths (C,Eu) molar concentration-dependent of the structural and optical properties of CBD-CdS nanofilms**” in in your prestige journal “**Revista Mexicana de Física (ISSN-0035-001X)**”, section **Investigación**”, which has not been published elsewhere, whose authors are of agreement and the following are their names and adscription addresses:

*Joel Díaz-Reyes, José Francisco. Sánchez-Ramírez, María de la Cruz Peralta-Clara,
Julieta Salomé Veloz-Rendón*

Centro de Investigación Biotecnología Aplicada, Instituto Politécnico Nacional. Ex-
Hacienda de San Juan Molino Km. 1.5. Tepetitla, Tlaxcala. 90700. México

Jorge Indalecio Contreras-Rascón

División de Ciencias Exactas y Naturales, Universidad de Sonora. Col. Centro.
Hermosillo, Sonora. 83000. México.

Mariana Enelia Linares-Avilés

Unidad Profesional Interdisciplinaria de Biotecnología. Instituto Politécnico Nacional.
Av. Acueducto de Guadalupe S/N. Gustavo A Madero, Barrio La Laguna Ticomán.
Ciudad de México, 07340. México.

Roberto Saúl Castillo-Ojeda

Universidad Politécnica de Pachuca. Km. 20, Rancho Luna, Ex-Hacienda de Santa
Bárbara, Municipio de Zempoala, Hidalgo. 43830. México.

J. E. Flores-Mena

Facultad de Ciencias de la Electrónica de la BUAP, Av. San Claudio y 18 Sur. Colonia
Jardines de San Manuel, Ciudad Universitaria. Puebla, Puebla. 72500. México.

This manuscript is the authors' original work and has not been published nor has it been submitted simultaneously elsewhere. Besides, that all authors have checked the manuscript and have agreed to the submission. In addition, the manuscript conforms to the requirements of the journal.

We thank your attention and say good-bye.

Best regards

Dr. Joel Díaz-Reyes
